

30. I certify that the entity(ies) I represent has complied with all program rules and I acknowledge that failure to do so may result in denial of discount funding and/or cancellation of funding commitments.

31. I understand that the discount level used for shared services is conditional, for future years, upon ensuring that the most disadvantaged schools and libraries that are treated as sharing in the service receive an appropriate share of benefits from those services.

32. I recognize that I may be audited pursuant to this application. I will retain for five years any and all worksheets and other records that I rely upon to fill out this application, and, if audited, will make available to the Administrator such records.

33. I certify that I am authorized to submit this request on behalf of the above-named institution, that I have examined this request, and to the best of my knowledge, information, and belief, all statements of fact contained herein are true.

34. Signature of authorized person Barbara Mackey (ms) 35. Date 1/17/02
 36. Printed name of authorized person Dr. Barbara Mackey
 37. Title or position of authorized person Superintendent
 38. Telephone number of authorized person (708) 385-6800 x 101

471 Application Number: 301034
 COOK COUNTY SCHOOL DIST
 12300 GREENWOOD AVE
 BLUE ISLAND, IL 60406 -1558

Persons willfully making false statements on this form can be punished by fine or forfeiture, under the Communications Act, 47 U.S.C. Secs. 502, 503(b), or fine or imprisonment under Title 18 of the United States Code, 18 U.S.C. Sec. 1001.

The Americans with Disabilities Act, the Individuals with Disabilities Education Act and the Rehabilitation Act may impose obligations on entities to make the services purchased with these discounts accessible to and usable by people with disabilities.

NOTICE TO INDIVIDUALS: Section 54.504 of the Federal Communication Commission's rules requires all schools and libraries ordering services that are eligible for and seeking universal service discounts to file this Services Ordered and Certification Form (FCC Form 471) with the Universal Service Administrator. 47 C.F.R. § 54.504. The collection of information stems from the Commission's authority under Section 254 of the Communications Act of 1934, as amended, 47 U.S.C. § 254. The data in the report will be used to ensure that schools and libraries comply with the competitive bidding requirement contained in 47 C.F.R. § 54.504. All schools and libraries planning to order services eligible for universal service discounts must file this form themselves or as part of a consortium.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The FCC is authorized under the Communications Act of 1934, as amended, to collect the personal information we request in this form. We will use the information you provide to determine whether approving this application is in the public interest. If we believe there may be a violation of potential violation of a FCC statute, regulation, rule or order, your application may be referred to the Federal, state, or local agency responsible for investigating, prosecuting, enforcing or implementing the statute, rule, regulation or order. In certain cases, the information in your application may be disclosed to the Department of Justice or a court or adjudicative body when (a) the FCC; or (b) any employee of the FCC; or (c) the United States Government, is a party of a proceeding before the body or has an interest in the proceeding.

If you owe a past due debt to the federal government, the taxpayer identification number (such as your social security number) and other information you provide may also be disclosed to the Department of the Treasury Financial Management Service, other federal agencies and/or your employer to offset your salary, IRS tax refund or other payments to collect that debt. The FCC may also provide this information to these agencies through the matching of computer records when authorized.

With the exception of your social security number, if you do not provide the information we request on the form, the FCC may delay processing of your application or may return your application without action.

The foregoing Notice is required by the Privacy Act of 1974, Pub. L. No. 93-579, December 31, 1974, 5 U.S.C. § 552, and the Paperwork Reduction Act of 1995, Pub. L. No. 104-13, 44 U.S.C. § 3501, et seq.

Public reporting burden for this collection of information is estimated to average 6 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, completing, and reviewing the collection of

information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the reporting burden to the Federal Communications Commission, Performance Evaluation and Records Management, Washington, D.C. 20554.

Telephone System Needs for Proposal:

Currently each school listed has installed Comdial Impact telephone systems. Our goal is to increase the port capacity on each system to allow for one analog port to be connected to each classroom.

Increase the capacity of the current Comdial telephone systems to support analog ports for each classroom. Price does not include telephones. Price includes required equipment, installation and programming. Equipment provided by Blitz Communications, Inc. shall be warranted for one year against manufacture or installation defects.

Pricing for E-rate 2002-2003 Projects

Cabling Proposal:

All network cable and termination material should meet or exceed 568A Cat 5e specifications. Cable and termination hardware performance specifications will be subject to review and approval prior to its installation. Cable and related material should be plenum rated and methods of installation should follow the applicable guidelines. Installed cable plant to be tested and certified with printed reports to be released to customer upon job completion.

Veterans Memorial – District Office

Two labs –

24-locations each equipped with two network drops each. Each lab will originate from wall mount data rack equipped with 48-port patch panel with wire management included. Estimate includes surface mount raceway if needed and patch cord set for each location.

Fiber back-bone connection between MDF and IDF in lab. Fiber link to consist of 6-strand multi-mode fiber protected by inner-duct with SC connectors originating from approved rack mounted enclosures. Includes fiber patch cords. Pricing based on maximum fiber length of 400 feet.

QTY	Description	Unit Price	Estimated Project Cost
(2)	48-cable Lab	\$9,600.00	\$19,200.00
(2)	Fiber Back-Bone	\$4,200.00	\$8,400.00
(1)	Data Cabinet	\$2,000.00	\$2,000.00
(8)	Individual Cables	\$250.00	\$2,000.00

Fiber connection between MDF and IDF in Writing Lab. Fiber link to consist of 6-strand multi-mode fiber protected by inner-duct with SC connectors originating from approved rack mounted enclosures. Includes fiber patch cords. Pricing based on maximum fiber length of 400 feet.

(1) Fiber Back-Bone \$4,200.00

Total Estimated Project Cost: \$35,800.00

Kerr Middle – Old Main

Two labs –

24-locations each equipped with two network drops each. Each lab will originate from wall mount data rack equipped with 48-port patch panel with wire management included. Estimate includes surface mount raceway if needed and patch cord set for each location.

Fiber back-bone connection between MDF and IDF in lab. Fiber link to consist of 6-strand multi-mode fiber protected by inner-duct with SC connectors originating from approved rack mounted enclosures. Includes fiber patch cords. Pricing based on maximum fiber length of 400 feet.

QTY	Description	Unit Price	Estimated Project Cost
(2)	48-cable Lab	\$9,600.00	\$19,200.00
(2)	Fiber Back-Bone	\$4,200.00	\$8,400.00
(1)	Data Cabinet	\$2,000.00	\$2,000.00
(8)	Individual Cables	\$250.00	\$2,000.00

Fiber connection between MDF and IDF to second floor lab. Fiber link to consist of 6-strand multi-mode fiber protected by inner-duct with SC connectors originating from approved rack mounted enclosures. Includes fiber patch cords. Pricing based on maximum fiber length of 400 feet.

(1) Fiber Back-Bone \$4,200.00

Total Estimated Project Cost: \$35,800.00

Horace Mann
